

# KIDCREATE® STUDIO

## Art + Boy Scouts = FUN!

Inspire the young artists in your troop at a Kidcreate Studio art class. Art is tons of fun and great for the brain too! A Kidcreate art class is a wonderful enrichment activity for your badge activity plans. Our teachers provide a fun, self-esteem building atmosphere where children learn to express themselves through the visual arts.

A Kidcreate art class is easy. You supply the kids; we supply the curriculum, teachers, and art materials. We even handle the clean up! Kidcreate offers two great ways to bring art education to your troop. Visit one of our studios for your class or let us send one of our teachers to you. Art lessons are 45 minutes to 1 hour long, depending on the age of the children and project selected. The cost of classes varies depending on class length and the projects selected. If you attend class at one of our studios, additional time before and after your lesson can be made available for your troop meeting at no additional cost.

Below, we have listed a few lesson ideas that we think your boys might love. We have many more art lessons available, so let us know if you would like more ideas. We can even customize a project just for your troop!
