Creative Art Fun for Kids!

No Messy Clean up for Moms!

Are You Looking for a Fun Activity for Your Moms Group?

Introduce the young artists in your group to the wonderful world of art at Kidcreate Studio. Kidcreate is an art studio just for kids! Our Studio is designed to inspire and educate kids in an environment where giggles and grins are encouraged. Come get messy with us. We'll clean up! That's why making a mess is the best at Kidcreate Studio!

What Activities are Available for Moms Groups at Kidcreate?

- **Studio Time (18 months-9 years)** Studio Time is a great activity for moms and kids to do together! This drop-in class allows young artists unstructured time to create. Each class, we set up 4 fun art stations with lots of cool art materials and projects. Your group can stop in anytime during class and stay as long as you wish. Because this is a very popular class, we recommend calling ahead to reserve your spots. Children must be accompanied by a caregiver.
- **Mommy's Time Off (3-9 years)** How wonderful would it be to have a chance to chat over coffee without your little ones? Or maybe head to the salon for manicures? Drop your kids off at a Kidcreate Mommy's Time Off Art Class! While your kids are busy creating, the moms can attend an event of their own.
- **Create-a-Class (18 months-12 years)** If our class schedule does not work for your group or if you would like a class with a special theme, we can create a private class just for your group. We have a large selection of classes to choose from. Please call the studio for more information and to check on schedule availability.
