

KIDCREATE® STUDIO

Art Themed Group Activities!

Art is a great way to enrich your program's curriculum. It's tons of fun and great for the brain too! A Kidcreate Art Activity is easy. You supply the kids; we supply the curriculum, teachers, art materials, giggles and grins. We even handle the clean up! Check out the great art class ideas below. We have 100's of lessons to choose from, so let us know if you would like more ideas. We can even match your weekly themes!

Kidcreate offers two great ways to bring art education to your kids. You can bring the kids to our studio for a fun art theme field trip or we can send our teachers to you for art classes right at your location. Our teachers provide a fun, self-esteem building atmosphere where children learn to express themselves through the visual arts. Lessons are 45 minutes to 1 hour long, depending on the age of the children and project selected. The cost varies depending on class length and the project selected.
